

## Clause Risk & Compliance Summary

2025-12-04 12:30 UTC

### SECTION I — Contract Overview

Field	Value
Project Title:	Not present in contract.
Solicitation No.:	Not present in contract.
Owner:	Not present in contract.
Contractor:	Atlantic Pipe Services LLC (APS)
Scope:	Not present in contract.
General Risk Level:	High – based on cumulative findings across Sections II–VIII indicating significant liability allocation, compliance burdens, and technology/data obligations.
Bid Model:	Not present in contract.
Notes:	FDOT specifications were referenced throughout (2023 edition, as inferred from incorporated references). Contract exhibits elevated substitution liability, strict compliance frameworks (wages, EEO, safety, and cybersecurity), and multiple flow-down risks to subcontractors.
